Special events and professional displays of pyrotechnics will be required to obtain approval and necessary permit(s) from Imperial County Fire Department and other agencies before any such use.

Special events may require additional permits, approvals, and inspections. This includes but not limited to stages, sound equipment, lighting, production equipment, etc. Special events shall require approval from Imperial County Fire Department and include detailed site plans and detailed description of the event for review.

Site plans should contain the following information:

- Where the event is taking place
- Egress and escape routes (approved)
- Emergency vehicle ingress and egress
- Fire protection equipment (fire extinguishers)

- Layout of site (chairs, tables, stages, food, etc.)

Description should contain the following information:

- Type of entertainment
- Time frame
- Emergency contact information (crowd managers)
- Emergency procedures (fire, medical, natural, panic, etc.)

21. The provisions of the permit are to run with the land/project and shall bind the current and future owner(s), successor(s)-in-interest, assignee(s) and/or transferor(s) of said project.
22. If the Community Development Department finds and determines that the Permittee or successor-in-interest has not complied or cannot comply with the terms and conditions of the CUP, or the Planning/Building Department determines that the permitted activities constitute a nuisance, the City shall provide the Permittee with a notice and the opportunity to comply with the enforcement or abatement order. If after receipt of the order (1) Permittee fails to comply, and/or (2) Permittee cannot comply with the conditions set forth in the CUP, then the matter shall be referred to the Planning Commission for permit modification, suspension, or termination, or to the appropriate enforcement authority.
23. As between the City and the Permittee, any violation of this permit may be a "nuisance per se". The City may enforce the terms and conditions of this permit in accordance with its Codified Ordinances and/or State law. The provisions of this paragraph shall not apply to any claim of nuisance per se brought by a third party.
24. Permittee shall not be permitted to maintain a "nuisance", which is anything that: (1) is injurious to health, or is indecent or offensive to the senses, or an obstruction to the free use of property, so as to interfere with the comfortable enjoyment of life or property, and/or (2) affects at the same time an entire community or neighborhood, or any considerable number of persons, although the extent of the annoyance or damage inflicted upon individuals may be unequal, and/or (3) occurs during or as a result of the re-located business.
